May my life be an example of You, Lord.
May my thoughts be a mirror of Your own,
And may my words be that which You, would speak.
May my deeds be of service to You, Lord.

May my spirit be that which You would have.
May my character be likened unto Yours,
And may my influence point others to You.
May others see You in me.

May we live our lives for You, oh Lord.
May our love be given to You,
And when You come to take Your children home,
We will be forever with You, Lord.
We will be forever with You, Lord.

They looked for a city in which to rest
From all their labors on this old earth.
They struggled and stumbled in their search
To look for a city for the weary and tried.

Chorus

Oh, pilgrims look up to the skies.
In your journey the Saviour will help you on your way.
Oh, pilgrims look up to the skies,
The city of rest for the weary and tried.

We looked for a city in which to rest
From all our toils on this old earth.
The Saviour will help us along our way
As we look for a city for the weary and tried.

At last the glad shout, "The city is found!"
Comes along the line and gladdens our hearts.
And then we see our Saviour dear,
The King of the city for the weary and tried.

Oh, pilgrims look up to the skies.
In your journey the Saviour has helped you on your way.
Oh, pilgrims look up to the skies.
The city of rest at last is found.

Words by Randy Hess

Music by Jessica Hess

Accompanied by Phil Draper (Piano)

Adriana Hess (Vocal)

ASI Convention - August 6, 2008

3ABN On the Road - Tampa, FL

A son of thunder born
Full of violence and scorn
Was born from above
Became the apostle of love.
A lady of the night
Caught and dead by right
Forgiven and restored
Just by knowing Him.

Chorus

By knowing Him

Your life will be transformed,

You'll have peace through every storm,

All of your fears will disappear,

You'll gain power over every sin

And Christ be formed within

Just by knowing Him.

If you want to overcome

Temptation sin and strife,

You'll find you can live His life

Just by knowing Him.

The shackles will fall away,

Your filthy garments of sin

Replaced by His robe of white

Just by knowing Him.

If you want to share His love

And the joy that's from above,

You'll have His spirit and His love

Just by knowing Him.

If you want to find a way

To win a soul to Christ today,

The best and only way

Is just by knowing Him.

For the many times you gave me

JESSICA HESS

When Jessica was born, due to complications, the doctors were not sure if she would live. With much prayer and by God's grace Jessica lived and after ten days was well enough to go home. Jessica and her family realize that God has preserved her life for a purpose. Since the age of two she has been singing praises to God before congregations and groups large and small. Jessica, now 14 years old, also plays piano and violin and enjoys composing songs. Four of her compositions are featured on this DVD: *My Life*, *They Looked for a City*, *By Knowing Him*, and *Always by Your Side*.

"I pray that the desire I express in *My Life* continues to inspire me and others." — Jessica
